

We look forward to seeing you at **Future Formulation III** on **Thurs, 4 April 2019** at **University of Leicester**. Below you will find some practical details to assist your arrival.

VENUE:

Charles Wilson Building

Charles Wilson Fourth Floor SR 409 (Garendon): Conference

Charles Wilson Fourth Floor SR 411 (Quorn): Lunch and Refreshments

Charles Wilson Fourth Floor SR 401 / 402: Posters

University of Leicester, Leicester, LE1 7RH, UK

The University campus map can be found here:

<https://www2.le.ac.uk/departments/lifelong-learning/documents/campusmap.pdf>

TRAVEL:

Leicester Railway Station ~15 minute walk. The Number 48 Arriva bus goes to campus.

The postcode for campus is LE1 7RH. There is **very limited** parking available on site and usually reserved for disabled visitors, however if you email Csaba Sinka (ics4@leicester.ac.uk) he will request a parking space for you (and confirm with you by email). There are also a number of pay and display car parks near main campus – see <https://www.le.ac.uk/maps/>

REGISTRATION

Registration will be open at **10:00** with refreshments and the conference will start at **10:20**.

PROGRAMME

- 10:00 Registration & Refreshments
- 10:20 Welcome: **Dr Csaba Sinka** - University of Leicester & **Professor Simon Gibbon** - RSC-FSTG/AkzoNobel R&D
- 10:30 **Dr Jin Sun** - University of Edinburgh & **Dr Mark Haw** - University of Strathclyde
Complexifying simplicity: multicomponent effects and hybrid flow of high-solid-content dispersions
- 11:00 **Dr Csaba Sinka** - University of Leicester
Virtual Formulation Laboratory for prediction and optimisation of manufacturability of advanced solids based formulations
- 11:30 **Professor Colin Bain** - Durham University
Evaporative Drying of Droplets and the Formation of Micro-structured and Functional Particles and Films
- 12:00 **Stephanie Williams**, Portfolio Manager, Engineering and Physical Sciences Research Council
Formulation and the EPSRC
- 12:15 **Dr Colin Hare** - University of Surrey – *MATHEGRAM EU Training Network*
Professor Colin Bain - Durham University - *SOFI CDT - Leeds/Edinburgh/Durham*
- 12:30 Lunch
- 13:00 Poster Session 1
- 14:00 **Professor Paul Dalby** - UCL & Dr Robin Curtis - The University of Manchester
Enabling rapid liquid and freeze-dried formulation design for the manufacture and delivery of novel biopharmaceuticals
- 14:30 **Professor Darragh Murnane** - The University of Hertfordshire
Computational Pharmaceutics: An Approach to Guide Formulation Design and Enhance Mechanistic Understanding of Inhaled Formulation Performance
- 15:00 **Professor Panagiota Angeli** - University College London
CORAL: Addressing challenges in the manufacturing of complex oral healthcare formulations
- 15:30 **Professor Ricky Wildman** - University of Nottingham
Formulation for 3D printing: Creating a plug and play platform for a disruptive UK industry
- 16:00 Poster Session 2 (with tea & coffee)
- 17:00 Soft Close

POSTERS

For those of you presenting posters please place it on a board as soon as you arrive. Velcro pads will be available from the registration desk. Posters may be A1 or A0 in size.

DIETARY REQUIREMENTS

You will have let me know of any dietary requirements on your registration form. If you have given specific requirements your food will be clearly labelled.

Any questions please do get in touch.

Sent on behalf of the Future Formulation III Organising Committee
